

City School HQ

WOW what a busy term!!!

The term started with the year 11 completing their mock exams. This was a good opportunity for students to experience an exam and staff to understand the support students might need.

We have had a range of guest speakers this term; the Brook charity came in to raise awareness around student's sexual health and encouraging them to make positive decisions. The Bristol Drugs Project have also been in to educate our young people around cannabis and nitrous oxide use. And finally, we had a company called "Blunt Truth" who delivered a session around emergency care in the event of a knife injury. In all the sessions, the students engaged and responded positively to the information. We have also explored aspects of bullying and mental health days through their recognised days.

In addition to our pastoral education sessions, we have had some exciting enrichment activities..... Airhop, Animal Zone and Winter Wonderland.

We have supported charities by raising money for Macmillan's , Coach Save the Children (Christmas jumper day) and Children in Need

Just to remind you that the Pastoral team will be working the week beginning 19th December and can be contacted on either 07704 303557 or 07704 303651

The students are due back to school on **Thursday 5th January 2023**. Students need to be in school between 9am and 9.30am- this ensures they receive a positive attendance mark for the day

The H&E team would like to wish you all a very Merry Christmas and happy new year.
