Bread making with Aspens

The Nest transformed into a busy little bakery as the children explored the art of bread making with Becky. With sticky fingers and lots of fun, the children carefully prepared and shaped their dough before adding their favourite herbs. It was a wonderful hands-on experience!

Art at the NEST - Bristol street art

Children got creative during a fantastic day at The Nest with artist Kerry Russell, exploring the vibrant world of Street Art. Inspired by Banksy, they designed their own striking street-art masterpieces before building and painting unique dream house models to proudly take home.

Reading

Reading has continued at the Nest this term with all students having chance to read at their level to an adults as well as a range of high quality story books in their lessons
