Mummification

This term our topic has been Ancient Civilisation. The children have explored the Ancient Egyptian method of mummification. The children followed step by step instructions to mummify their own 'body'.

Bristol Museum

This term we visited Bristol Museum, as our topic this term was all about Ancient Civilisation. The children loved exploring the museum.

Life skills

In our life skills lessons this term the children have been in the kitchen!

They have been learning, how to make a hot drink safely and how to make their very own toasted sandwich.

Summer term

Next term as the weather gets warmer (we hope!) we will be spending more time outside. Please could you provide your child with a water bottle and sun hat if possible.

Term dates:

First day of term 6: Monday 6th May

Friday mornings

Our shared breakfast and reading for parents and carers will continue next term every Friday morning 9-9:30.

We look forward to seeing you there!
