

Code of conduct for staff

Purpose and application

- Purpose:** Relationships with fellow staff, employees, councillors, directors, contractors, visitors, volunteers, pupils and their parents, guardians or carers must be reasonable and mutually respectful at all times. This purpose of this code is to:
 - place the welfare of children at the centre of the federation and its culture.
 - confirm and reinforce the professional responsibilities of all staff.
 - clarify the legal position in relation to sensitive aspects of staff/pupil relationships and communication including the use of social media.
 - set out the expectations of standards and behaviour to be maintained within the federation; and
 - help adults establish safe practices and reduce the risk of false accusations or improper conduct.
- Application:** The code of conduct (code) applies to all staff working for the federation, whether paid or unpaid, whatever their position, role or responsibilities and staff includes employees, councillors, directors, contractors, work experience / placement students and volunteers.
- Relationship with other policies and guidance:** This code should be read in conjunction with the federation's policies including the children protection and safeguarding policy and procedures, the whistleblowing policy, and the guidance set out in Appendix 1 (Guidance).

Key duties

- General duty:** It is the contractual duty of every member of staff to observe the rules and obligations in this code (including its appendices). You should also follow the guidance. The federation also has a duty of care to its staff, parents guardians or carers and pupils and the implementation of the practices in this code will help to discharge that duty.

Staff are under a duty to report suspected, known or proposed wrongdoing in conjunction with the federation's policies including the safeguarding policy, low level concerns appendix contained within the Code of Conduct and the whistleblowing policy which is contained within this Employment Manual. This includes suspected known or proposed wrongdoing brought to the attention of a member of staff by a pupil, parent or other adult.

Any incident involving children that could give cause for concern, must always be reported promptly in accordance with the federation's child protection and safeguarding policy and procedures.
- Record keeping:** Comprehensive records are essential. All concerns, discussions and decisions made and the reasons for those decision should be recorded in writing. Records must include a clear and comprehensive summary of the concern, details of how the concern was followed up and resolved, a note of any action taken, decisions reached and the outcome. Information must be kept confidential and stored securely. Any incident involving children that could give cause for concern, must always be reported promptly to the Designated Safeguarding Lead in accordance with the federation's child protection and safeguarding policy and procedures. If there is any doubt about recording requirements, this should be discussed with the Designed Safeguarding Lead.

Code of Conduct Appendix 2: Protecting children from abuse, exploitation, or neglect

All staff must know what to do if they suspect or are told a child is being abused, exploited, or neglected. This Appendix provides more information on the kinds of abuse children may suffer both within and outside the home, and how staff should respond.

The federation encourages an open and transparent culture in which it may identify concerning, problematic or inappropriate behaviour early, minimise the risk of abuse and ensure that all staff working in or on behalf of the federation are clear about professional boundaries and act within these boundaries. All staff must be aware of their responsibility in relation to even low-level concerns which should be reported in accordance with the federation's safeguarding and child protection policy and the guidance in Part 1 of KCSIE.

If you are involved in a situation where no specific guidance exists, you must discuss the circumstances with the Designated Safeguarding Lead but always act within the spirit of these guidelines. A written record should be kept that includes justification for any action taken.

General guidance

1. You must be aware of the general guidance that will apply in all cases. In particular you:
 - 1.1 must be familiar with procedures for reporting concerns in accordance with the federation's whistleblowing policy and be aware that if staff raise concerns about working practices at the federation to the Designated Safeguarding Lead or an appropriate senior member of staff that they will be protected from detriment under the whistleblowing policy;
 - 1.2 must be familiar with the local reporting guidelines and the Local Safeguarding Children Board reporting threshold document in respect of any concerns relating to children;
 - 1.3 must be familiar with procedures for handling allegations against staff as set out in the federation's child protection and safeguarding policy and procedures;
 - 1.4 must seek guidance from the Designated Safeguarding Lead if you are in any doubt about appropriate conduct; and
 - 1.5 must report any actions which could be misinterpreted, any misunderstandings, accidents or threats involving you and a pupil or a group of pupils to the Designated Safeguarding Lead.
2. You must take particular care when dealing with a pupil who:
 - 2.1 appears to be emotionally distressed, or generally vulnerable and / or who is seeking expressions of affection;
 - 2.2 appears to hold a grudge against you;
 - 2.3 acts in a sexually provocative way, or who is inclined to make exaggerated claims about themselves and others, or to fantasise, or one whose manner with adults is overfamiliar; and
 - 2.4 may have reason to make up an allegation to cover the fact that they have not worked hard enough for public examinations.
3. **Procedure to be followed in these cases:** Some of these behaviours may be indications that a child has been, or is currently being, abused and must therefore be reported to the Designated Safeguarding Lead under the federation's child protection and safeguarding policy and procedures.

Disclosures of abuse, exploitation, or neglect

4. All staff must know what to do if a child tells them that they are being abused, exploited, or neglected. All staff should be able to reassure victims that they are being taken seriously and that they will be

supported and kept safe. A victim should never be given the impression that they are creating a problem by reporting abuse, sexual violence, or sexual harassment. Nor should a victim ever be made to feel ashamed for making a report.

5. Staff must know how to manage the requirement to maintain an appropriate level of confidentiality. This means only involving those who need to be involved, such as the Designated Safeguarding Lead (or deputy) and children's social care. Staff should never promise a child that they will not tell anyone about a report of any form of abuse, as this may ultimately not be in the best interests of the child.
6. Staff must follow the appropriate federation procedure, including the safeguarding and child protection policy, and/or the whistleblowing policy, in order to report a concern or an allegation that has been made.

Suspicious of abuse, exploitation, or neglect

7. Staff may from time to time suspect a child is suffering abuse exploitation or neglect within or outside the home. Staff must follow the appropriate federation procedure, including the safeguarding and child protection policy and/or the whistleblowing policy, in order to report any such concerns.

Child-on-child abuse

8. Staff must be aware of the risks of child-on-child abuse and be familiar with procedures for handling allegations against other children and bullying as set out in the federation's child protection and safeguarding policy and procedures. Examples of child-on-child abuse are bullying (including cyberbullying), physical abuse, sexual violence and sexual harassment, upskirting, the consensual and non-consensual sharing of nudes and semi nudes images and videos (also known as sexting or youth produced sexual imagery) and initiation and hazing (which could include activities involving harassment, abuse or humiliation used as way of initiating a person into a group and may include an online element especially around chat groups, and the sharing of abusive images and pornography).

Mental health concerns

9. Only appropriately trained professionals should attempt to make a diagnosis of a mental health problem. Staff, however, are well placed to observe children day-to-day and identify those whose behaviour suggests that they may be experiencing a mental health problem or be at risk of developing one.
10. It is key that staff are aware of how experiences such as abuse, neglect or other potentially traumatic adverse childhood experiences can impact on a child's mental health, behaviour, and education. All staff should be aware that mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation.
11. If staff have a mental health concern about a child that is also a safeguarding concern, immediate action must be taken, following the federation's child protection and safeguarding policy and procedures.

Extra-familial harm

12. All staff should be aware that safeguarding incidents and/or behaviours can be associated with factors outside the federation and/or can occur between children outside of the federation environment. All staff, but especially the designated safeguarding lead (and deputies) must consider whether children are at risk of abuse or exploitation in situations outside their families. Extra-familial harms take a variety of different forms and children can be vulnerable to multiple harms including (but not limited to) sexual exploitation, criminal exploitation, and serious youth violence.
13. All staff must be aware of indicators that children are at risk from or are involved with serious violent crime. These may include being male, increased absence from the academy or having been frequently absent or permanently excluded from the academy, a change in friendships or relationships with older individuals or groups, a significant decline in performance, having experienced child maltreatment, having been involved in offending such as theft or robbery, signs of self-harm or a significant change in

wellbeing or signs of assault or unexplained injuries. Unexplained gifts or new possessions could also indicate that children have been approached by, or are involved with, individuals associated with criminal networks or gangs.

Terrorism and extremism

14. All staff must understand that the federation has a legal duty to have regard to the need to prevent people from being drawn into terrorism, and consequently must be aware of:
 - 14.1 what extremism and radicalisation means and why people - including pupils and fellow staff members - may be vulnerable to being drawn into terrorism as a consequence of it;
 - 14.2 what measures are available to prevent people from becoming drawn into terrorism and how to challenge the extremist ideology that can be associated with it; and
 - 14.3 how to obtain support for people who may be being exploited by radicalising influences.

Honour based abuse and female genital mutilation (FGM)

- 15 All staff must raise any concerns relating to honour-based abuse (to include FGM and forced marriage) with the Designated Safeguarding Lead and involve children's social care as appropriate in accordance with the federation's child protection and safeguarding policy and procedures. Teachers must also report to the police cases where they discover (either through disclosure by the victim or visual evidence) that an act of FGM appears to have been carried out on a girl under the age of 18. The report should be made orally by calling 101, the single non-emergency number. It will be rare for teachers to see visual evidence, and they must not be examining pupils but those failing to report such cases may be subject to a disciplinary investigation.

Code of Conduct Appendix 3: Guidance on staff / pupil relationships

General guidance on staff/pupil relationships

1. **Application:** Allegations of unprofessional conduct or improper contact or words can arise at any time. Professionalism and vigilance are required so as to ensure the safety of children in our care, and to reduce the risk of an allegation of impropriety against a member of staff. This guidance applies to all staff.
2. **Staff/pupil rapport:** The federation supports and encourages the establishment and maintenance of positive working relationships between staff and pupils in order to maintain a healthy academy environment. Staff should build good rapport with pupils, whilst at the same time always maintaining professional boundaries by following the guidance in this code and its Appendices.
3. **Good order and discipline:** Staff in charge or control of pupils must maintain good order and discipline at all times when pupils are present on federation or academy premises and whenever pupils are engaged in authorised school activities, whether on federation or academy premises or elsewhere.

Meetings with pupils

4. **One-to-one or small group meetings:** If you are teaching one pupil, or conducting a one-to-one meeting or teaching session with a pupil, you must take particular care in the following ways:
 - 4.1 when working alone with a pupil or with a small group of pupils is an integral part of your role, conduct and agree full risk assessments with the Designated Safeguarding Lead;
 - 4.2 use a room that has sufficient windows onto a corridor so the occupants can be seen, or keep the door open, or inform a colleague that the lesson / meeting is taking place, or work within an open area;
 - 4.3 arrange the meeting during normal school hours when there are plenty of other people about;
 - 4.4 do not continue the meeting for any longer than is necessary to achieve its purpose;
 - 4.5 avoid sitting or standing in close proximity to the pupil, except as necessary to check work;
 - 4.6 avoid using "engaged" or equivalent signs on doors or windows;
 - 4.7 avoid inappropriate and idle discussion;
 - 4.8 avoid all unnecessary physical contact and apologise straight away if there is accidental physical contact;
 - 4.9 avoid any conduct that could be taken as a sexual advance;
 - 4.10 report any incident that causes you concern to the Designated Safeguarding Lead under the federation's child protection and safeguarding policy and procedures, and make a written record (signed and dated); and
 - 4.11 report any situation where a pupil becomes distressed or angry to Designated Safeguarding Lead.

Contact with pupils outside school

5. **Pre-arranged meetings:** Pre-arranged meetings with pupils outside school must not be permitted unless approval is obtained from their parents, guardians or carers and Designated Safeguarding Lead. If you are holding such a meeting, you must inform colleagues before the meeting.
6. **Contact outside school:** You must avoid unnecessary contact with pupils outside school. You must:

- 6.1 not give pupils your home address, home telephone number, mobile telephone number or email address;
 - 6.2 not send personal communications (such as birthday cards or faith cards, text messages etc.) to children unless agreed with the academy Principal or central department lead;
 - 6.3 not make arrangements to meet pupils, individually or in groups, outside school other than on school trips authorised by the academy Principal or central department lead;
 - 6.4 avoid contacting pupils at home unless this is strictly necessary, and you must keep a record of any such occasion;
 - 6.5 not give a pupil a lift in your own vehicle other than on academy business and with permission from the academy Principal or central department lead;
 - 6.6 avoid inviting pupils (groups or individuals) to your home unless there is a good reason, and it has been approved by the academy Principal or central department lead. This prohibition also applies if you have on site accommodation;
 - 6.7 report and record any situation which may place a child at risk, or which may compromise your or the federation's professional standing or the professional standing of the federation's academies;
 - 6.8 ensure that pupils do not see anything in your home that may cause embarrassment or that might become the subject of inappropriate gossip or rumour; and
 - 6.9 never engage in secretive social contact with pupils or their parents, guardians, or carers.
7. **Home visits:** In limited circumstances, home visits may be necessary. You must:
- 7.1 discuss the purpose of any visit with the Designated Safeguarding Lead and adhere to any agreed work plan / contract;
 - 7.2 follow the risk management strategy and ensure appropriate risk assessments are in place. Where there is insufficient information to complete a risk assessment, ensure that you are accompanied by a colleague;
 - 7.3 not visit unannounced on your own if this can be avoided i.e., all other options are exhausted;
 - 7.4 leave the door open where you will be alone with pupils;
 - 7.5 keep records detailing times of arrival and departure, and work undertaken;
 - 7.6 ensure that any behaviour or situation that gives rise to a concern is reported and actioned;
 - 7.7 discuss with the Designated Safeguarding Lead anything that gives cause for concern in accordance with the federation's child protection and safeguarding policy and procedures, and.
 - 7.8 have a mobile telephone and an emergency contact.
8. **The use of personal living space:** Pupils must not be in or invited into the personal living space of any member of staff, unless agreed with the parents, guardians or carers and the Designated Safeguarding Lead / the academy Principal / central department lead or a member of the Executive Team. It is accepted that children of staff (where in federation accommodation or not) may at times invite their friends to their homes. In these instances, staff are reminded to comply with this code and must ensure that the Designated Safeguarding Lead / the academy Principal / central department lead is informed in advance and that any overnight visit is subject to a written risk assessment.
9. **Chores:** Pupils must not be asked to assist with chores or tasks in the personal living space. Personal living spaces must not be used as an additional resource for the academy. This also applies to on-site staff accommodation.

10. **Social contact:** You should be aware that where you meet children or parents, guardians, or carers socially, such contact could be misinterpreted as inappropriate, an abuse of a position of trust or as grooming. Any social contact that could give rise to concern must be reported to academy Principal, central department lead or member of the Executive Team.
11. **Friendships with parents, guardians or carers and pupils:** Members of staff who are friends with parents, guardians, or carers of pupils or who, for example, are voluntary workers in youth organisations attended by pupils, will of course have contact with those pupils outside school. However, members of staff must still respect the above advice wherever possible and must keep the academy Principal, central department lead or member of the Executive Team informed of such relationships.
12. **Scope of application:** The same guidelines must be applied to after school clubs, school trips, and especially trips that involve an overnight stay away from the academy. There are separate, more detailed guidelines for school trips in the Educational Visits Policy. The principles of this guidance also apply to contact with children or young people who are pupils at another school.

Transport, after school activities and educational visits

13. **Transporting pupils:** There may be some situations when staff are required to transport pupils. You must:
 - 13.1 ensure that you are fit to drive and free from any substances that may impair your judgement or ability to drive;
 - 13.2 be aware that until the pupil is passed over to a parent / carer, you have responsibility for that pupil's health and safety;
 - 13.3 record the details of the journey;
 - 13.4 record, be able to justify impromptu or emergency lifts and notify the Designated Safeguarding Lead;
 - 13.5 ensure that there are proper arrangements in place to ensure vehicle, passenger, and driver safety, including appropriate insurance, seat belts, adherence to maximum capacity guidelines etc.; and
 - 13.6 wherever practicable, you should avoid using private vehicles and should try and have one adult additional to the driver to act as an escort.
14. **After school activities:** When taking part in after school activities, you must:
 - 14.1 be accompanied by another adult unless otherwise agreed with academy Principal or central department lead;
 - 14.2 undertake a risk assessment; and
 - 14.3 obtain parental consent.
15. **Educational visits:** When taking part in educational visits, you must:
 - 15.1 follow the academy's Educational Visits Policy;
 - 15.2 be accompanied by another adult unless otherwise agreed with the academy Principal or central department lead;
 - 15.3 undertake a risk assessment;
 - 15.4 obtain parental consent; and
 - 15.5 never share bedrooms unless in a dormitory situation and arrangements have been discussed previously with the academy Principal and where appropriate, parents, guardians or carers and pupils.

Overnight supervision

16. **Overnight supervision:** Where overnight supervision is required to preserve the integrity of the examination process:
- 16.1 you must ensure that a risk assessment has been undertaken and that all members of the household have had the appropriate checks;
 - 16.2 arrangements must be made with and agreed by parents, guardians or carers and the pupil;
 - 16.3 one to one supervision must be avoided where possible;
 - 16.4 choice, flexibility and contact with "the outside world" must be incorporated, as far as it is consistent with appropriate supervision and the federation's guidelines;
 - 16.5 whenever possible, independent oversight of the arrangements must be made; and
 - 16.6 any misinterpretation, misunderstanding or complaint must be reported.

Inappropriate relationships

17. **Sexual contact:** Staff must not:
- 17.1 have any type of sexual relationship with a pupil or pupils;
 - 17.2 have sexually suggestive or provocative communications with a pupil;
 - 17.3 make sexual remarks to or about a pupil; and
 - 17.4 discuss their own sexual relationships in the presence of pupils.
18. **Abuse of a position of trust and Inappropriate relationships with school pupils:** Sexual relationships or sexual contact with any pupils or encouraging a relationship to develop in a way which might lead to a sexual relationship, or any relationship just considered inappropriate with any pupil at the federation is a grave breach of trust that will usually lead to disciplinary action and may also lead to criminal prosecution. It is the criminal offence of an abuse of a position of trust to have any sexual relationship with any federation pupil under the age of 18, and whilst not a criminal offence, it is a breach of this code and considered to be gross misconduct to have a sexual relationship with any pupil, even if over the age of 18.
19. **Inappropriate relationships with pupils at another school:** Forming relationships with children or young people who are pupils or students at another school or academy will be a criminal offence if they are under 16 but may also be a criminal offence if under the age of 18 and will be regarded as gross misconduct. Such behaviour tends to bring the federation and its academies into disrepute and gives rise to concern that the staff involved cannot be trusted to maintain professional boundaries with pupils and students within the federation. Whilst not necessarily a criminal offence, the academy considers it inappropriate for staff to form inappropriate relationships with a pupil of any school, irrespective of their age.

Code of Conduct Appendix 4: Communication with pupils (including the use of technology)

1. **Communicating with children and parents, guardians, or carers:** All communication with children or parents, guardians or carers must conform to federation policy and be limited to professional matters. Except in an emergency, communication must only be made using federation property.
2. **Application:** These rules apply to any form of communication including new technologies (including 3G / 4G technologies) such as mobile telephones, web-cameras, social networking websites and blogs. You must also ensure you comply with the more detailed IT acceptable use policy and Social Media Policy.
3. **Dealing with "crushes":** Crushes, fixations or infatuations are part of normal adolescent development. However, they need sensitive handling to avoid allegations of exploitation. Such crushes carry a high risk of words, actions and expressions being misinterpreted; therefore, the highest levels of professionalism are required. If you suspect that a pupil has a crush on you or on another colleague, you must bring it to the attention of the Designated Safeguarding Lead at the earliest opportunity. Suggestions that a pupil may have developed a crush must be recorded. Staff must avoid being alone with pupils who have developed a crush on them and if the pupil sends personal communications to the member of Staff, this must be reported to the Designated Safeguarding Lead and recorded.
4. **Acceptable use:** Adults must establish safe and responsible online behaviours and must be familiar with the IT Acceptable Use Policy, Social media policy and the mobile telephone protocol. Adults must report to senior colleagues, any new and emerging technologies which may have a bearing on federation practices and on the review of the IT Acceptable Use Policy. Local and national guidelines on acceptable user policies must be followed. Staff must also:
 - 4.1 ensure that your own personal social networking sites are set as private and ensure that pupils are not approved contacts;
 - 4.2 ensure that they only make contact with pupils for professional reasons, and this must be done using professional means, e.g., letter or academy email;
 - 4.3 ensure that you do not use any website or application, whether on a federation or personal device, which publicly identifies your location while on federation premises or otherwise in the course of your employment;
 - 4.4 never use or access social networking sites of pupils and do not use internet or web-based communication channels to send personal messages to pupils;
 - 4.5 never use your own equipment (e.g., mobile telephones, non-federation email accounts) to communicate with pupils and/or parents, guardians, or carers - use equipment provided by the federation and ensure that parents, guardians, or carers have given permission;
 - 4.6 recognise that text messaging must only be used as part of an agreed protocol and only when other forms of communication are not possible; and
 - 4.7 exercise professional judgement when communicating with pupils.
5. **Personal details:** Adults must not give their personal contact details to pupils, including email addresses, home, or mobile telephone numbers, unless the need to do so is agreed with senior colleagues and parents, guardians, or carers.
6. **Communicating outside the agreed protocols:** Email or text communications between an adult and any pupil outside agreed protocols may lead to a report to external agencies in accordance with the federation's child protection and safeguarding policy and procedures, disciplinary and / or criminal investigations. This also includes communications through internet-based websites.

7. **Political impartiality:** You must not promote partisan political views to pupils, whether as part of the curriculum, in any extra-curricular activity or in general conversation or other interactions inside or outside of the academy. This means you must not encourage pupils to support or adopt particular political views and must present any political views in a balanced way that ensures opposing views are aired.
8. **Communicating about shared principles that underpin society:** Although you must not promote partisan political views to pupils, there are some concepts and views that are shared principles that underpin our society. This means you must not encourage pupils to support or adopt particular political views and must present any political views in a balanced way that ensures opposing views are aired.
9. **Questions about political impartiality:** If you are in any doubt about whether a particular topic is a political issue or a shared value, you should seek guidance from your line manager in the first instance.

Code of Conduct Appendix 5: Photographs and videos

1. **Permission required:** You must seek permission from the Principal or Vice Principal before taking photographs or video camera footage of any pupils in class, at any academy events or on a trip. You must also seek permission before displaying these photographs. You must not take images of children using personal devices such as mobile phones or tablets.
2. **Consent:** Subject to paragraph 6 below, appropriate consents for taking and displaying photographs must be obtained from parents, guardians, carers or from the pupils themselves if sufficiently mature (most pupils are seen as being sufficiently mature from the age of 12 years). Consent must be freely given so it must be a genuine choice. Unless you have been told otherwise, the academy Principal is responsible for obtaining the appropriate consent.
3. Where the use of a photograph or video is less privacy intrusive (e.g., used in an internal academy display) it is sufficient for parents and pupils to have been informed about this in the federation's privacy notices, in which case consent is not required. Please speak to the academy Principal if you require guidance on whether consent must be obtained.
4. Some pupils cannot be featured in photographs or videos under any circumstances (for example, because of safeguarding concerns). Please speak to the academy Principal if you are unsure to which pupils this applies.
5. **Guidance where permission obtained:** Where permission and consent (if appropriate) has been obtained, the following must be considered:
 - 5.1 the purpose of the activity must be clear as well as what will happen to the photographs or videos. You must be able to justify images in your possession;
 - 5.2 all images must be made available in order to determine acceptability;
 - 5.3 images must not be made during one-to-one situations;
 - 5.4 ensure that the pupil is appropriately dressed;
 - 5.5 ensure that the pupil understands why the images are being taken and has agreed to the activity;
 - 5.6 only use equipment provided or authorised by the federation;
 - 5.7 if an image is to be displayed in a place to which the public have access (e.g., on the academy's website) it must not display the pupil's name unless specific consent has been obtained. If the use of a photograph or video is more privacy intrusive consent may need to be obtained even if the pupil's name is not used (e.g., using an unnamed photograph of a pupil in an advertisement). Consent must be obtained from the pupil and/ or their parents as appropriate. Please see paragraph 6 below for further guidance on consent;
 - 5.8 all images of children must be stored securely and only accessed by those authorised to do so; and
 - 5.9 images must not be taken secretly.
6. **Consent:** Children are usually considered mature enough to exercise their own data protection rights when they are aged 12 years or older. Whether consent should be obtained from the parents, the pupil or both will depend on the age of the pupil. If you have any concerns about a child's ability to provide informed and freely given consent when they are aged 12 years or older (e.g., due to severe special educational needs) please use your professional judgement or speak to the Principal or designated senior leader. The federation's policy is that when consent is required it must be obtained as follows:
 - 6.1 where the pupil is in Year 7 or below, consent must be sought from a parent, guardian, or carer;

- 6.2 where the pupil is in Year 8, 9, 10 or 11 then consent must be sought from both the pupil and their parent, guardian, or carer; and
- 6.3 where the pupil is in Year 12 or 13 then only the pupil's consent will need to be obtained.
7. **Personal social media:** You must not publish anything which could identify pupils, parents or guardians on any personal social media account, personal webpage, or similar platform. This includes photos, videos, or other materials such as pupil work.
8. **Appropriate material:** The federation recognises that many children have unlimited and unrestricted access to the internet via 3G and 4G. You must ensure children are not exposed to inappropriate or indecent images. Viewing, retrieving, or downloading of pornographic, terrorist, or extremist material, or any other material which the federation believes is unsuitable is strictly prohibited and constitutes gross misconduct. This includes at any time when on federation premises or otherwise in the course of your employment, including using the federation's ICT network, or via 3G or 4G, whether or not on a federation or personal device. You must not allow unauthorised access to federation equipment and must keep your computer passwords safe. If you discover material that is potentially illegal or inappropriate, you must isolate the equipment and contact the Designated Safeguarding Lead under the federation's child protection and safeguarding policy and procedures immediately. Pupils must not be exposed to unsuitable material on the internet and staff must ensure that any film or material shown is age appropriate.
9. **Youth produced imagery:** Where safeguarding incidents involve youth produced sexual imagery, staff must not intentionally view, or forward sexual imagery reported to them and will follow the federation's policy on sharing nudes and semi-nude images and videos as set out in Searching, screening, and confiscation: advice for schools (DfE, January 2018).

Code of Conduct Appendix 6: The use of force or physical restraint

1. **Physical restraint:** All forms of corporal punishment are unlawful, and the use of unwarranted physical force is likely to constitute a criminal offence. The use of physical intervention should be avoided if possible. There are circumstances when it is appropriate for staff to use force to safeguard children. This is enshrined in law and applies to any member of staff at the federation. It can also apply to people whom an academy Principal has temporarily put in charge of pupils such as unpaid volunteers or parents accompanying students on academy organised visit.
2. **Application of code of restraint:** It only applies where no other form of control is available and where it is necessary to intervene. The use of such force or physical contact may be reasonable and proportionate in the circumstances to prevent a pupil from doing, or continuing to do any of the following:
 - 2.1 committing a criminal offence;
 - 2.2 injuring themselves or others;
 - 2.3 causing damage to property, including their own; and
 - 2.4 engaging in any behaviour prejudicial to good order and discipline at the academy or among any of its pupils, whether that behaviour occurs in a classroom or elsewhere.

This applies when a teacher, or other authorised person, is on federation or academy premises and when they are in control or charge of the pupil elsewhere, for example on a field trip or other authorised out of school activity. It only applies where no other form of control is available and where it is necessary to intervene.

3. **Before intervening:** Before intervening physically you should assess the risk and, wherever practicable, tell the pupil to stop and what will happen if they do not. You should continue attempting to communicate with the pupil throughout the incident and should make it clear that physical contact or restraint will stop as soon as it ceases to be necessary. You must always avoid touching or holding a pupil in a way that might be considered indecent. You must also avoid any form of aggressive contact such as holding, pushing, pulling, or hitting which could amount to a criminal assault, nor act in a way that might reasonably be expected to cause injury.
4. **Inform senior staff:** You must inform the academy Principal or a member of the Executive Team immediately following an incident where force has been used. This is to help prevent any misunderstanding or misrepresentation of the incident, and it will be helpful in the event of a complaint. You must provide a written report as soon as possible afterwards. This should include written and signed accounts of those involved, including the pupil. The parents, guardians or carers of the pupil must be informed about serious incidents involving the use of force. In the EYFS setting, the parents, guardians or carers will be informed about any use of force on the same day or as soon as reasonably practicable. The academy Principal will advise as to when parents should be contacted.
5. **Action taken in self-defence or in an emergency:** The law allows anyone to defend themselves against an attack provided they do not use more force than is necessary. Similarly, where a pupil is at risk of immediate injury or on the point of inflicting injury on someone else, any member of staff (whether authorised or not) would be entitled to intervene.
6. **Using reasonable force:** There is no legal definition of "reasonable force". It will always depend on the circumstances. The term 'reasonable force' covers the broad range of actions used by staff that involve a degree of physical contact to control or restrain children. This can range from guiding a child to safety by the arm, to more extreme circumstances such as breaking up a fight or where a young person needs to be restrained to prevent violence or injury. 'Reasonable' in these circumstances means 'using no more force than is needed.' The use of force may involve either passive physical contact, such as standing

between pupils or blocking a pupil's path, or active physical contact such as leading a pupil by the arm out of the classroom. Note that:

- 6.1 any use of force must be proportionate to the behaviour of the pupil involved and the seriousness of the harm prevented;
- 6.2 you must recognise the additional vulnerability of children with SEN, disabilities, and certain medical conditions before using reasonable force;
- 6.3 physical force could not be justified to prevent a pupil from committing a trivial misdemeanour;
- 6.4 any force must always be the minimum needed to achieve the desired result; and
- 6.5 whether it is reasonable to use force and the degree of force that could be reasonably employed might also depend on the age, understanding and sex of the pupil.

Code of Conduct Appendix 7: Physical contact with pupils

You are referred to Appendix 6 for specific guidance on the use of force or physical restraint against pupils. The guidance in this Appendix concerns physical contact in other circumstances.

1. **When physical contact may be appropriate:** Physical contact with a pupil may be necessary and beneficial in order to demonstrate a required action, or a correct technique in, for example, singing and other music lessons or during PE, sports, and games. Any physical contact should be in response to the pupil's needs, of limited duration and appropriate to the pupil's age, stage of development, gender, ethnicity, and background. Physical contact can be easily misinterpreted and should be limited. Staff must use professional judgement.
2. **Guidance on using physical contact:** You must observe the following guidelines (where applicable):
 - 2.1 explain the intended action to the pupil;
 - 2.2 do not proceed with the action if the pupil appears to be apprehensive or reluctant, or if you have other concerns about the pupil's likely reaction;
 - 2.3 ensure the physical contact continues for as short a time as possible;
 - 2.4 ensure that the door is open and if you are in any doubt, ask a colleague or another pupil to be present during the demonstration; and
 - 2.5 consider alternatives if it appears likely that the pupil might misinterpret the contact.
3. **Report concerns:** If you are at all concerned about any instance of physical contact, inform the academy Principal or member of the Executive Team without delay, and make a written record in the incident book and on the pupil's file if necessary.
4. **Offering comfort to distressed pupils:** Touching may be appropriate where a pupil is in distress and needs comforting. You must use your own professional judgement when you feel a pupil needs this kind of support and should be aware of any special circumstances relating to the pupil. For example, a child who has been abused may find physical contact particularly difficult. You must always notify the academy Principal or member of the Executive Team when comfort has been offered, record the action, and must seek guidance if unsure whether it would be appropriate in a particular case.
5. **Administering first aid:** When administering first aid you must explain to the child what is happening and where practical ensure that another adult is present or is aware of the action being taken. The treatment must meet the federation's health and safety at work rules and intimate care guidelines, and parents must be informed. Staff must:
 - 5.1 adhere to the federation's policy on administering first aid / medication;
 - 5.2 comply with the necessary reporting requirements;
 - 5.3 make other adults aware of the task that is being undertaken;
 - 5.4 explain what is happening;
 - 5.5 report and record the administration of first aid;
 - 5.6 have regard to any health plans; and
 - 5.7 ensure that an appropriate health / risk assessment is undertaken prior to undertaking certain activities.
6. **Pupils' entitlement to privacy:** Children are entitled to privacy when changing or showering. However there still must be an appropriate level of supervision to ensure safety. You must:

- 6.1 avoid physical contact or visually intrusive behaviour when children are undressed;
 - 6.2 announce yourself when entering changing rooms and avoid remaining unless required;
 - 6.3 not shower or change in the same place as children; and
 - 6.4 not assist with any personal care task which a pupil can undertake themselves.
7. **Intimate care:** Sometimes intimate care is required, for example when assisting with toileting or removing wet clothes. You must:
- 7.1 comply with the federation's intimate care guidelines;
 - 7.2 advise other staff of the task being undertaken and consult where there is any change from the agreed procedure. A record must be kept of the justification for any variations and this information must be shared with parents, guardians, or carers;
 - 7.3 explain to the child what is happening;
 - 7.4 comply with applicable professional codes of practice, as appropriate; and
 - 7.5 comply with regularly reviewed, formally agreed plans, as appropriate.
8. **Where a child has been abused:** Where a child has previously been abused, staff should be informed on a 'need to know' basis and should be extra cautious when considering the necessity of physical contact. Some children may seek inappropriate physical contact. Staff should sensitively deter the pupil and help them understand the importance of personal boundaries. Such incidents must be reported and discussed with the Designated Safeguarding Lead and where appropriate parents, guardians, or carers.
9. **Children with special educational needs or disabilities:** Some children may need more physical contact to assist their everyday learning, which must be agreed and understood by all concerned, justified, openly applied and open to scrutiny. The Designated Safeguarding Lead and SENCO will establish whether any reasonable adjustments are required for such pupils.

Code of Conduct Appendix 8: Childcare Disqualification

1. **Offence:** The Childcare Act 2006 and the Childcare (Disqualification) and Childcare (Early Years Provision Free of Charge) (Extend Entitlement) (Amendment) Regulations 2018 state that it is an offence for the federation to employ anyone to provide childcare in connection with our early years provision (EYP) or later years provision (LYP) who is disqualified, or for a disqualified person to be directly involved in the management of EYP or LYP (a Relevant Role).
2. **EYP** includes usual school activities and any other supervised activity for a "young child" which takes place on federation premises during or outside of the normal school day (a child is a "young child" during the period between birth and up to 1 September following their fifth birthday).
3. **LYP** includes provision for children not in EYP and under the age of 8 which takes place on federation premises outside of the normal school day, including, for example breakfast clubs, after school clubs and holiday clubs. It does not include extended school hours for co-curricular activities such as sports activities.
4. **"Childcare"** means any form of care for a child, which includes education and any other supervised activity for a "young child". "Childcare" in LYP does not include education during school hours but does cover before and after school clubs.
5. **Grounds for disqualification:** The grounds on which a person will be disqualified from working in connection with EYP or LYP are set out in the federation's recruitment, selection and disclosure policy and procedure. Staff are required to familiarise themselves with this document.
6. **Duty of disclosure:** Staff in a Relevant Role are under an on-going duty to immediately notify the federation if their circumstances change so that they meet any of the criteria for disqualification at any point during their employment with the federation. Any failure to disclose relevant information will be treated as a serious disciplinary matter.
7. **Ofsted:** Where the federation receives disqualification information about a member of staff working in a Relevant Role and is satisfied that the member of staff may be disqualified as a consequence, the federation is under a duty to report the circumstances of the disqualification to Ofsted.
8. **Waiver:** A member of staff who discloses information which appears to disqualify them from working in a Relevant Role may apply to Ofsted for a waiver of the disqualification.

Code of Conduct Appendix 9: Reporting Obligations

- 1. The federation's position:** It is a contractual requirement as well as in your interests to follow this code so as to maintain appropriate standards of behaviour and your own professional reputation. A breach of this code may be treated as misconduct and will render you liable to disciplinary action including in serious cases, dismissal.
- 2. Exit interviews:** All staff are trained so that they understand they are expected and encouraged to raise concerns they have, whether related to the safeguarding and welfare of pupils, the conduct of staff or other matters, during the course of their employment in accordance with the federation's policies (including the whistleblowing policy, the child protection and safeguarding policy and procedures and this code). Safeguarding children is at the centre of the federation's culture and is accordingly considered formally during staff professional development reviews and at exit interviews which are issued to all leavers.
- 3. Childcare disqualification:** The federation is prohibited from employing anyone to provide childcare in connection with our early years provision (EYP) or later years provision (LYP) who is disqualified, or for a disqualified person to be directly involved in the management of EYP or LYP. You are referred to Appendix 8 for more information on childcare disqualification.
- 4. Termination of employment:** If the federation ceases to use the services of a member of staff because they are unsuitable to work with children, a settlement agreement (formerly known as a compromise agreement) will not be used and a referral to the Disclosure and Barring Service will be made promptly if the criteria for a referral are met. Any such incidents will be followed by a review of the safeguarding procedures within the federation, with a report being presented to the academy council without delay. The federation may also need to consider a referral to the Disclosure and Barring Service if a member of staff is suspended or deployed to another area of work that is not regulated activity.
- 5. Resignation:** If a member of staff tenders their resignation or ceases to provide his or her services to the federation at a time when child protection concerns exist in relation to that person, those concerns will still be investigated in full by the federation and a referral to the Disclosure and Barring Service will be made promptly if the criteria for a referral are met.
- 6. Teaching Regulation Agency (TRA):** Separate consideration will also be given to making a referral to the TRA where a teacher has been dismissed (or would have been dismissed had they not resigned) because of unacceptable professional conduct, conduct that may bring the profession into disrepute, or a conviction at any time for a relevant offence. An interim referral to the TRA may also be considered and made if appropriate.
